

NEW IN 2010:

*New camp program software!

We are importing our info from years past but in this transition we may need to ask you to provide us w/added info to update your file.

*\$10 non-refundable processing fee for ALL Staff!

Every staff applicant needs to send in \$10.00 for processing.

*New Online Training!

Online Training will be new to everyone this year. Counselor/staff training will be available online for your convenience. The training manual & test will be on the website www.ilsmonline.com as a PDF file and all counselor/staff will need to read the manual & take the test to attend camp.(every 3 years) Direct your staff to mail the test along with the staff application to ISM by **MAY 1, 2010**. There will be a training refresher session on registration day for all staff.

*Reservation Form!(new to youth pastors)

This form will be the first form you need to fill out and send in by the end of March to give us a ballpark idea of how many you will bring to camps this year. We will take your estimate and reserve space for your kids as long as we receive your applications on time.

*Pre-Housing Form!

This year we will pre-house all campers & staff prior to camp. Camp coordinators will need to make sure they send in a completed housing form in order for us to register and house your campers. Our goal is to have a pain-free registration day quick and easy without the wait... which brings us to our last new change...

*EXPRESS LINE at registration!

This will be a new feature that will help make registration a breeze! If you ever waited in a long registration line on Monday, here is some great news! Make sure the correct amount of money is sent for each application and that all forms are correctly filled out. All forms must be turned in before deadlines. This is for church groups or individuals not registering with a church group who are **PAID IN FULL** and have **NO CHANGES**.
